June 27, 1947
[H. R. 3372]
[Public Law 124]

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled, That the Secretary of the Interior, acting through the Bureau of Mines, and the Navajo Tribe of Indians are authorized to enter into an agreement dated December 1, 1945, entitled “An agreement severing certain formations from oil and gas leases and substituting new leases as to those formations” and an “Amending agreement”, affecting lands in the Navajo Indian Reservation, New Mexico, copies of which are published in House of Representatives Document Numbered 212, Eightieth Congress, first session; and said agreements are ratified and approved. If said Navajo Tribe of Indians shall, after investigation, deem the total consideration payable to it by the United States pursuant to such agreement dated December 1, 1945, as amended, to be in any respect less than reasonable, fair, just, and equitable, said tribe shall be entitled within three years after the date of enactment of this Act to institute suit against the United States in the Court of Claims for the recovery of such additional sum as may be necessary to compensate said tribe for the reasonable, fair, just, and equitable value of all right, interest, and property passing from said tribe to the United States under such agreement, as amended. Jurisdiction is hereby conferred upon the Court of Claims to hear and determine any suit so instituted and to enter final judgment against the United States therein for such sum, if any, in excess of the total consideration payable pursuant to such agreement, as amended, as such court may determine to be necessary to provide consideration in all respects reasonable, fair, just, and equitable. Appellate review of any judgment so entered shall be in the same manner, and subject to the same limitations, as in the case of claims over which the Court of Claims has jurisdiction under section 145 of the Judicial Code, as amended (28 U. S. C., sec. 250). Notwithstanding any contract to the contrary, not more than 10 per centum of the amount received or recovered by said tribe in satisfaction of any claim asserted under this section shall be paid to or received by any agent or attorney on account of services rendered in connection with such claim.
